## PROFILE

I am a highly motivated and passionate individual with a strong desire to pursue a career as a Software Engineer. With a recent BSc degree from the University of Kelaniya and successful completion of the full-stack developer programme offered by the University of Moratuwa, I possess a solid foundation in software development and a deep understanding of web technologies.

## MY PROJECTS

### E-Commerce Website

Responsive CRUD website with functions including signup, login, updating account details, browsing items, managing shopping cart, viewing order history, accessing order details, and more.

MERN | [click](#)
